

## Village of Rockton Public Works Department

DATE: October 7, 2016.

PROJECT: HYDRANT FLUSHING PROGRAM

The hydrant flushing program will begin on October 24, 2016 and continue through October 28, 2016. We will begin on the south side of the Village in Old River Hills then proceed to Wagon Wheel Pass subdivision. We will then proceed down Old River Road thru the Woodlands subdivision then proceed west and south to Stone Ridge subdivision down Wagon Wheel Road to Route 75 heading towards Route 75 bridge.

On the north side of the Rock River we will begin downtown and work north and east until we reach RT. 2. We will then proceed to Pinecroft and Wright Place subdivisions. Once those areas are completed, we will flush the most eastern area of Meadowcrest, Wingate and Kensington subdivisions.

If you should have any questions, please call 815-624-7600 ext. 127.

Daniel J. Barber  
Public Works Director
