PUBLIC COMMENTS

Gail Beach commented that she has a problem with all of the Rockton Resale signs around town that resemble garage sale signs, but are actually for a business. She said she feels they are in violation of the village's sign ordinance.

MAYOR

Mayor Adams shared with committee members that the RAEDC is encouraging the rezoning of area property to "Industrial". Committee members were not sure that the village has any undeveloped areas that are appropriate for Industrial Zoning.

Committee members were not sure the village is getting their money's worth out of the membership. The RAEDC will be invited to come to the next village board meeting.

The Mayor also said that an offer to purchase has been made on the old Sand Trap property.
