Address: _____

The undersigned, being the owner of the property listed above, does hereby request a permit to install and connect a building sewer service, water line and meter to serve the building type at said location.

In consideration of granting this permit, the undersigned agrees to the following:

- 1- The water meter and supporting equipment must be supplied by the Village of Rockton
- 2- To accept and abide by all provisions of ordinances for the operation of the Rockton water and sewer systems, or the Village of Rockton, and of all other pertinent ordinances of regulations that may be adopted in the future.
- 3- To maintain the building water line at no expense to the village.
- 4- To maintain the building sewer line at no expense to the village.
- ***5- To notify the Director of Public Works when the building water/sewer line is ready for inspection and connection to the public water main, but before any portion of the work is covered.**
- ***6- To notify the Water Department when the water meter, check valve and radio read device has been installed and is ready for inspection, but before any portion of the work is covered.**

I acknowledge acceptance of the above listed procedures and understand that Village employees are the only people authorized to turn the water connection on, and that failure to comply shall result in fines.
