The undersigned, being the owner of the property listed above, does hereby request a permit to install and connect an irrigation system for exterior watering purposes at said property.

In consideration of granting this permit, the undersigned agrees to the following:

- 1- The water meter and supporting equipment must be supplied by the Village of Rockton
- 2- To accept and abide by all provisions of ordinances for the operation of the Village of Rockton Waterworks System, including but not limited to Section 24, and of all other pertinent ordinances or regulations that may be adopted in the future.

*****3- To notify the Director of Public Works when the connection for the irrigation system is ready for inspection, and when the meter, RPZ and radio read device have been installed.**

*****4- To submit a yearly inspection report to the Village of Rockton for any RPZ or other backflow prevention device that is lawfully subject to such periodic inspection.**

I acknowledge acceptance of the above listed procedures and understand that Village employees are the only people authorized to turn the water connection on, and that failure to comply shall result in fines.
