

VILLAGE OF ROCKTON - PROJECT PUBLIC NOTIFICATION

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY - STATE REVOLVING FUND

PUBLIC WATER SUPPLY LOAN PROGRAM

FACILITY: VILLAGE OF ROCKTON, IL WATER SYSTEM

PROJECT L17 5522 VALVE AND HYDRANT REPLACEMENT

This project includes the removal of replacement of eleven (11) fire hydrants and associated valves and appurtenances at various locations throughout the village. The project replaces aged hydrants within the Village's water system.

The village awarded this project to N-TRAK Group LLC of Loves Park, Illinois. N-TRAK plans to begin construction between April 11, 2018 and April 16, 2018. The project will be completed no later than June 15,2018.

This project will be beneficial to the village in several ways:

- Increased flow capacity for fire fighting capabilities.

- Replaces watermain, valves, hydrants that are at the end of their useful life.

This project will be funded in its entirety by a loan from the Illinois Environmental Protection Agency.

A map of the hydrant replacement locations is indicated below.
